

## Spare parts guide for toilets aftermarket

- New spray nozzle is exclusive from Matromarine since all competitors toilets have standard bowls with internal holes without any pressure system. This new intake elbow with innovative spray nozzle maximizes hygiene thanks to the high pressure water jet. Now cleaning will be faster and better and finally covering 100% of the bowl rinse surface.
- Soft close is exclusive from Matromarine since all competitors toilets have plastic standard or wooden seat on especially on the basic models as manual and standard electric.
- Soft close has a new very appreciated design compare to the wooden model or competitors seat
- Soft close is interchangeable with all toilets Jabsco, Raritan, Rm69 ,Johnson,rm69, compact and regular(comfort) model.
- Soft close is cheaper than classic(not soft close) wooden seat and you will see difference on your existing price list.

- Seats: Wooden, Plastic, thermosetting all with soft close mechanism and on Luxury model with lid with quick-release as standard. The quick-release system enables the removal of the whole seat unit on the touch of a button. This makes the cleaning of all toilet spots otherwise hard to reach much easier. Cd:6500000002 and 65000000001 are suitable for compact manual and electric toilets from Jabsco,Johnson,Tmc,RM69,Raritan,Dometic
